Rheumatism Yields Quickly to Sloan's
You can't prevent an attack of Rheumatism from coming on, but you can stop it almost immediately. Sloan's Liniment gently applied to the sore joint or muscle penetrates in a few minutes to the inflamed spot that causes the pain. It soothes the hot, tender, swollen feeling, and in a very short time brings a relief that is almost unbelievable until you experience it. Get a bottle of Sloan's Liniment for 25c of any Druggist and have it in the house—against Colds, Sore and Swollen Joints. Your money back if not satisfied, but it does give almost instant relief.—Adv. Apr.

PROCLAMATION

"Clean-Up" and "Clean-Out" Day

In compliance with a circular letter to all presidents of villages and mayors of cities in Michigan issued by the State Fire Marshall and Governor Ferris, L. Ira N. Brainerd, Mayor of the City of Alma, do hereby appoint Monday, May 3d 1915, as a "Clean-Up" and "Fire Prevention" Day, in which I ask you to clean up your yards, streets, alleys, cellars, porches, shops and sheds.

The reasons herefor are, 1st, the sanitary effect upon our lives; 2d, reducing the danger of fires, as many fires originate in the litter in the garrets and sheds; 3d, the esthetic effect that clean and beautiful surroundings have upon our souls; and the material advantage that a good appearance brings.

I urge concerted action in this cause on this day, and offer the free use of the city team, as soon thereafter as practicable, to haul away the litter, if this be placed in accessible places for them.

I. N. Brainerd,
Mayor of Alma.

Yes, Aduro Is A
Guaranteed Roofing

It is so good that it can stand practically any kind of reasonable guarantee you want.

Of course there are some things that NO prepared roofing can do. For instance it can't last forever. The best of them will wear out in time but "ADURO" will be doing good work when many other roofings put on at the same time are ready to be replaced.

No prepared roofing is absolutely fire proof. Most of them are fire resistant and "ADURO" will stand more heat than most of them.

Ordinary heat and cold won't touch it, and hail, one of the greatest enemies of prepared roofing, has less effect on "ADURO" than most every other roofing.

In spite of the high and lasting quality of "ADURO" roofing, you can buy it as cheap as any other roofing, worth having at all.

Anyone can put it on.
Come and see tests of its strength and durability.

Source of Loneliness.
Loneliness is one of the burdens of mankind. With some people, it is a constant source of unhappiness. They make plans, sometimes exceedingly complex to keep it at bay. They think that it lies outside. It really lies within their own consciousness.

Tommy's Costly Victory.
Mrs. Bacon—"What's the matter with Tommy's face and hands? They are badly swollen." Mrs. Egbert—"You see, they offered a prize at his school for the boy who would bring in the greatest number of dead wasps, and Tommy won."
